

# FAMILY COASTER

COSMIC SPIN

# Cosmic Spin

Designed to accommodate the entire family, so even the little ones can experience the thrill of their first roller coaster ride. Cosmic Spin for indoor or outdoor use. It fits in a 23 x 12 meter space. The coaster includes 5 cars, which seat 3 riders each, with a thrilling full 360° rotation.

**IMMERSIVE**

Great sharing experience between the guests.

SPINNING COASTER

# Spinning Coaster

A coaster suitable for the whole family with a compact design, to meet the request of FEC's market too. Kids love the feel of rotating while riding a real coaster. Our Spinning Coaster is composed of 4 vehicles 4 seats each, and fits in a 24.70 x 12.70 meter space.
